- Tear out one page and trim to 11" across and 11 $\frac{1}{4}$ " down.
- Cut Patterned Paper 6" x 10" and corner round all 4 edges ink and stick down.
- Cut Patterned Paper 10 $\frac{1}{2}$ " x 6" and corner round all four corners. Ink edges and stick down on THREE sides only to create a pocket.
- Matt and layer one photo onto Turquoise card and the other onto one of the 6x4 Cards.
- Use a 3x4 card as part of your layout and stick photos down making sure the pocket top is free.
- Ink your title with Peacock Feathers and add to your page.
-

Page 2

- Tear out 3 (one at a time.)
- To make the large pocket cut one page to $10" \times 10 \frac{1}{2}"$.
- Score in $\frac{1}{2}"$ on one of the $10"$ sides.
- Score $\frac{1}{2}"$ on both ends of the $10 \frac{1}{2}"$ side.
- Now mitre the corners and add double sides tape to the folder pieces to create your pocket. DO NOT STICK DOWN YET!
- Take your Patterned Paper and cut to $11" \times 11 \frac{1}{4}"$.
- Then Gut this in $1"$ on all four sides. Now Ink the outside edges and stick this down to your main page.
- Now stick your large pocket you have made onto the page.
- Cut a small piece of trim and stick either side of the pocket.
- Cut your Pale Blue Card at $9 \frac{1}{2}" \times 9 \frac{1}{2}"$ and then Gut this $\frac{3}{4}"$ in on all 4 sides.
- Now stick the centre piece you have just gutted which is $8" \times 8"$ onto your pocket.
- Cut patterned Paper $7 \frac{3}{4}" \times 7 \frac{3}{4}"$. Ink the edges and stick this onto the Pale Blue card on the pocket.
- Take you next 2 pieces of Black pages and cut one at $9 \frac{1}{4}" \times 9 \frac{1}{4}"$.
- Cut the other piece at $9 \frac{3}{4}" \times 9 \frac{1}{4}"$ and score $\frac{1}{2}"$ on the long side.
- Stick these together at the scored join to create a book.
- Cut two pieces of Pattered Paper at $9" \times 9"$. Ink the edges and stick these down to the 2 outside covers of your book.

Page 3

- The piece of Pattered Paper cut gutted from Page 2 ($9" \times 9 \frac{1}{4}"$) Can be cut to measure $9" \times 9"$ now be stick this onto the Frame of the Pale Blue Card you gutted ($9 \frac{1}{2}" \times 9 \frac{1}{2}"$)
- Using the scrap panel from page 2 ($11" \times 3"$)
- Cut 2 strips measuring $1 \frac{1}{2}" \times 11"$
- Now ink any edges, layer all these elements together and stick them down.

Page 4

- Tear one Page from your Album and trim this down to $6\frac{1}{4}$ " across and stick directly onto the left hand side of the page.
- Cut Pattered Paper to $6" \times 11\frac{1}{4}"$. Corner round edges and ink them and stick down onto the pocket.
- Cut a different piece of Pattered Paper to measure $4\frac{3}{4}" \times 11\frac{1}{4}"$. Ink the edges and stick directly onto the page.
- Cut a piece of Pink Card to $6" \times 10\frac{3}{4}"$. Corner rounder the corners and ink. This is your photo pocket insert.

Page 5

- Cut the piece of pattered Paper from the previous page to $4\frac{3}{4}" \times 11\frac{1}{4}"$ and ink the edges.
- Cut the Rest of the Pink Card to $6" \times 10\frac{3}{4}"$. Corner rounder 2 corners and ink the 3 edges.
- Now stick these directly down onto your page.

Page 6

- Tear a page from your Album. Cut this to $10\frac{3}{4}" \times 7"$ and score on one short side at $\frac{3}{4}"$ add double sided tape.
- Now stick this onto your page.
- You now have a piece of black page left which should measure $10\frac{3}{4}" \times 4\frac{3}{4}"$ Corner rounder 2 corners.
- Glue 3 of the sides to create a pocket and stick this to your page so the flap and pocket are next to each other.
- Next cut your Pattered Papers to decorate.
- Outside Top Flap $10\frac{1}{2}" \times 6"$
- Inside Top Flap $10\frac{1}{2}" \times 6"$
- Outside Pocket $10\frac{1}{2}" \times 4\frac{1}{2}"$
- Inside Back Page $10\frac{1}{2}" \times 6"$
- Now corner rounder and ink edges and stick to the page.
- Use a $6" \times 4"$ Card to keep your flap closed.

Page 7

- Cut 2 Photo mats out of Pale Blue Card 6" x 4"
- Cut 2 Photo Mats from Pink Card 6" x 4"
- Ink the edges and stick down directly on your page.

Page 8 & 9

- Cut a strip of Turquoise Card at $1 \frac{1}{2}$ " x $11 \frac{1}{2}$ " and stick directly to the left hand of the page.
- Taking the next page in the Album place in your trimmer at the 1" mark, then going up 1" start cutting until you get to the $10 \frac{1}{2}$ " mark. Take the page out of your trimmer and using scissors cut a diagonal from the pointed corner of the page to the cut line.
- Now using tacky glue or similar glue IN A FINE NOZZLE stick the 3 sides of the page (Paying particular attention to the spine area) This will make you a Document page.
- Using your photos and 6x4 and 4x3 cards create your double page layout to the front covers of the 2 document pages.
- Cut 6 stripes of 10 " x $\frac{1}{4}$ " to edge your layout.
- Tear 2 new pages from your album and cut to 10 " x 10 ". Using Photos, 6x4 & 3x4 Cards and scraps you have left, create layouts on both sides of these large photo mats to go inside the document pages.
