

Presentation Boxes for Size 8 Memory Folios & Foto Folios

Slip Cover— This cover will hold 2 Memory/Foto Folios

- Cut 2 pieces of card at 12" x 10 1/2"
- Score both on the long side at 2 1/4" and 10 1/2" and then do a quarter turn and score both on the short side at 8 1/4"
- See the video of how to construct these to make a Slip Cover.

File Box—This will hold 2 Memory/Foto Folios

- Cut 2 pieces of card at 10 1/2" x 12"
- Score both on the long side at 2 1/4" and 10 1/2" and then quarter turn and score at 8 1/4"
- See video of how to construct these together to make a File Box.

Gift Box—A great gift Box to hold 1 Memory/Foto Folio

- Cut 2 pieces of card at 10 1/2" x 10 1/2"
- Score one piece on Box Lid of your score board at 1" on all 4 sides.
- Score the other piece on Box Base of your scoreboard at 1" on all 4 sides.
- See the video of how to construct this to make a presentation box.
